TO BE PRINTED IN EACH SCHOOLS STUDENT HANDBOOK

It is the school systems procedure not to require parent permission for students to be photographed, videotaped, and/or interviewed by system employees or media on routine school topics, activities for public information, awards and honors, instructional and promotional purposes. Parent permission must be given, however, to photograph, videotape and/or interview children with physical or mental disabilities if they will be identified as children with physical or mental disabilities. Parents, guardians, or eligible students may request not to be photographed, videotaped and/or interviewed by notifying the school in writing within ten (10) days of publication of this policy in the Student Code of Conduct. See Policy 648R, E3
