Dear Students and Parents,

Welcome to Barnardsville Elementary School!

This handbook contains essential information regarding our school and school expectations as well as important Board of Education policies. I hope that you find it a helpful resource. The format of the handbook is broken down to two sections – a student section and a parent section. Please review the student section with your child. All other information is for our parents to refer to as you learn more about our school. Also, please check our website and Facebook pages (Barnardsville Elementary School and Barnardsville PTO) for additional information and updates throughout the school year. Our primary means of communication is Class DoJo.

At Barnardsville parental involvement is highly encouraged and shows children that school is important. Anything you can do to show our students that you are committed to their success is much appreciated! I encourage you to volunteer your time and talents, visit often, and communicate regularly with your child’s teacher. Together, we can accomplish great things!

I am glad that you are a part of the Barnardsville family. By working together, we can ensure that all Barnardsville students reach their full potential and become successful, responsible citizens in a diverse global society. My door is always open. I look forward to seeing you at school!

Barnardsville School Song

There’s a valley in the mountains, in Western Carolina
When we get up in the morning and all come together
A place to grow and learn and think and play
We know we’ll do great things every day.
We are Self-directed, Willing Workers, Lifelong learners
We will always Have Respect, and soaring success
And confidence to take back home when the day is done.
We’re the Ivy Hawks, the jewels of the Blue Ridge
We’re proud to wear the green and black and grey
We have kindness in our hearts, and we’re really, really smart!
At Barnardsville we learn what counts, every day!
Our Awesome Attitudes are number one!

Student Expectations

BEING A FRIEND
Everyone wants to have friends and the best way to make friends is to be a friend! Treat others as you would want to be treated - use nice words, play with everyone, don’t say untrue or mean things about others and never make fun of anyone! If someone bothers you, you should tell an adult who works at the school and your parents. The adults will take care of the situation. You will learn more about being a friend and what a bully is in your guidance classes.

BUS BEHAVIOR
You are expected to behave on the school bus just like you do in the school building. Your bus driver must be able to pay attention to the road while driving. Their main job is to get you to and from school safely. If you forget to follow the bus rules, your bus driver will remind you. If you continue to forget, you will receive a bus referral and consequence. The most important bus rules are listed below. Your bus driver may share a few more with you.

• Sit on your bottom, in your seat, facing forward.
- Keep your hands, feet and other objects to yourself.
- Stay in your assigned seat during the entire bus ride.
- Treat others as you would want to be treated.
- Listen to and follow the directions of your bus driver at all times.
- Do not throw items on the bus.
- Do not bring toys or electronics such as cell phones, gaming systems or MP3 players on the bus.

*Riding the bus is a privilege. Failure to follow the bus expectations may result in a student's suspension from riding the school bus.

CAFETERIA BEHAVIOR
The cafeteria is a place to practice our proper eating manners. You should get the lunch you signed up for and make sure to select some fruits and veggies! It is expected that you sit in your seat and do not play with your food. Make sure to use your napkin! If you need help opening something or if you forgot something, ask the adult on duty, they are there to help you! Sometimes it can be exciting to have a chance to talk with your friends but don’t forget to eat! You will need to refuel your body so your mind will work when you are back in the classroom.

CODE OF CONDUCT
It is your job as a student to follow the code of conduct at all times whether you are in the classroom, restroom, on the playground, in the cafeteria or on the school bus.

- I will be responsible.
- I will show respect for myself and others learning and property.
- I will choose to learn and let others learn.
- I will be honest and refrain from cheating or stealing.
- I will behave in a safe manner.
- I will always do my personal best and strive to follow the school pledge.

COMING TO SCHOOL & FREE BREAKFAST
You will come to school on the bus or in a car. If you ride the bus, you will get here around 7:30 am. You will come in through the front door of the school and go straight to your classroom for breakfast. If you ride in a car, the gym doors will be unlocked at 7:30am. You will come through the gym doors and go straight to your classroom for breakfast. All students are provided a free breakfast at Barnardsville!

SCHOOL PLEDGE
Each morning we will say the School Pledge together. This will help us start each day with a reminder of how you should behave while at school.

“We are the Barnardsville Ivy Hawks! H- Have Respect, A - Awesome Attitude, W - Willing Worker, K - Kind Kids, S - Successful Students!
When? Every Day! All the Time!”

SCHOOL SAFETY
We want you to be safe while you are at school. Remember to always listen to your teacher and follow the rules. Always walk in the hallways and on the stairs. We will have a fire drill every month. The fire alarm is loud and may scare you a little at first. We will also have some other drills during the year when we practice what we would do in case we had a real emergency. When you play on the playground, make sure you use the equipment in the correct way. If you get hurt, make sure to tell your teacher or another adult immediately so we can help you.

All requests for reasonable accommodation, alternative accessible formats, or auxiliary communication aids and services for individuals with disabilities (within the definition of the Americans with Disabilities Act of 1990), as amended (ADA) should be made within a reasonable time prior to the activity to the ADA coordinator.

If you wish to file a complaint under the ADA, please contact the ADA coordinator:

ADVISORY COUNCIL
As per School Board policy, Barnardsville Elementary has an Advisory Council made up of the PTO president, a teacher representative, three lay people appointed by the Board of Education, and the principal who serves as an ex-officio member. Members of the SAC are posted on the BES website.

AFTER SCHOOL CARE
The YMCA program offers childcare for Barnardsville Elementary students after school. Barnardsville students are bused to the YMCA at NBES everyday after school. To review this program and register for services please visit their website at www.ymcawnc.org or call (828) 210-2273. Financial assistance is available through the YMCA. Applications are available on the YMCA website.

ALTERED TRANSPORTATION ARRANGEMENTS
Parents will establish a regular AM and PM transportation plan for students when they complete the student information form at the beginning of the year. When transportation arrangements need to be altered from the established plan, a note, which includes the child’s name and the date must be sent to the teacher, on the day of the change. We can only release children to those adults who are listed on the student information sheet. For safety reasons, the school CANNOT alter transportation arrangements by phone. Since it is not possible to identify callers, the school will ONLY accept transportation changes made in writing or by the parent coming to the school in person to make the change. Please note that faxes and emails will be accepted with a photo ID attached.

ARRIVAL AND DISMISSAL
Students should not arrive on campus before 7:30 AM. Barnardsville Elementary School cannot be legally liable for children dropped off at school before 7:30 AM. The school day begins at 7:50 AM. Students who are not in their classroom at 7:50, will be marked tardy. This applies to all students unless the bus arrived late.

Car riders should only be dropped off at the front entrance in the car rider line. The front entrance lane is also used for buses and visitors parking. You must drop your child off in the designated areas to ensure their safety. Please observe a safe speed limit as you drive through the campus (10 MPH). Visitor parking is at the front entrance and the side of the playground near Hillcrest Drive. Please be alert for children who may dart in front of traffic. Please follow all bus laws while in our parking lot. Do not pass the school bus if the red lights and stop signs are out in the loading zone.

Afternoon announcements will begin at approximately 2:30. All bus riders and car riders will be dismissed after announcements. Car riders will be dismissed by watching for their name on the Car Rider Google Form.

As a safety precaution, car rider tags will be provided to the parents by the school. Parents will keep a tag and distribute extra tags to those whom they authorize to pick up their child. These cards should be placed on the vehicle’s driver-side dash/visor. Without this tag, you will have to follow the standard procedure of parking, coming into the main office, and showing your ID.

A staff member will call the child’s name written on the card and have him/her waiting for pick up. A staff member will be
on duty at each car rider position to assist with loading students. Staff members will NOT buckle students in seat belts or child restraints due to liability issues. It is the responsibility of the parent/guardian to ensure that all seat belt laws are followed.

Please exercise caution while driving on the school campus. It is a violation of North Carolina Law to pass a bus while students are loading or unloading and the red lights are flashing.

ASSESSMENTS

Teachers will periodically assess your child to gain a better understanding of their learning needs. Formal and informal assessments will be used. Some types of formal assessments include tests, quizzes, benchmark reading assessments, etc. Informal assessments may include observations and feedback during lessons, student self-reflections, etc. All of this data is used to ensure that your child’s learning needs are being met and to determine student report cards and progress report marks. Your child’s teacher will share this data with you at conferences and/or upon request.

Formal NC assessments are administered to third and fourth grade students. Third graders will take a pretest, called the BOG, at the beginning of the school year. At the end of the year, third and fourth grade students take the North Carolina End of Grade Test (EOG) in English Language Arts and Math. Third and Fourth grade students will also take the NC Check-In three times throughout the year for benchmark progress monitoring. Please watch for notices of testing dates and make every effort to have your child in attendance each day of testing.

ATTENDANCE

Regular attendance and promptness are two important characteristics of a successful student. The elementary school attendance policy adopted by the Buncombe County School Board adheres to NC laws pertaining to student attendance. Elementary students may only have a maximum combined total of fourteen (14) excused and unexcused absences in a school year. Any absences over 14 must be made up in accordance with the school’s Attendance Make-up Program (Board Policy #4400). All absences, excused and unexcused, count toward the 14 maximum.

Students must be in attendance for more than half a day (11:30 a.m.) to be counted present for the day. On a two hour delay, the half day mark is considered 12:15. On a three hour delay, the half day mark is considered 12:45. Students arriving at school after 7:55 AM must report to the office and to sign in. Tardies will only be excused if accompanied by a medical (doctor or dentist) statement or if excused by the principal. These notes/statements should be presented to the office staff when signing in. Upon returning to school from an absence, students must bring their teacher a parent note or medical statement (doctor or dentist) giving the reason for the absence. Students will receive special recognition at the end of each grading period and at the end of the year if they do not miss any instructional time (7:55 AM until 2:30 PM). We are required by law to report excessive absences to the proper authorities.

Students are responsible for assignments missed during all absences and tardies. Arrangements should be made to complete the work in a timely manner upon their return to school.

Parents are notified when their child accumulates three (3) or six (6) unlawful absences. Court charges are a possibility after ten (10) unlawful absences. The complete Board Policy 4400 is available on the BCS website.

BAD WEATHER/ DELAYED OPENINGS OR EARLY DISMISSALS

If school is dismissed early due to bad weather, the Buncombe County Schools’ Central Office will use local TV and radio (and the Phone Notification System - School Messenger - when appropriate) to make the announcement.

When bad weather is predicted, tune in to WLOS television (or their website: www.wlos.com) or local radio (ex. WWNC or WKSF) for up-to-date news on school closings and delays. It is important that all families have accurate phone numbers on file with the School Messenger Contact Manager system and our office. In the event of a school closing, it will not be possible for our office staff to call parents to let them know that school will be dismissed early. Remember, a two-hour delay means that our daily schedule will be exactly two hours later (ex. Doors open at 9:30 AM) and a three-hour delay means that our daily schedule will start exactly three hours later (doors open at 10:30 AM). Breakfast will be served on a two-hour delay but will NOT be served on a three-hour delay. Students will go to lunch shortly after arrival on a 3 hour delay schedule. To ensure student safety, buses will not run on icy or snow covered roads. Students will follow the procedure that we have on file (i.e. car rider or bus rider), and for this reason students should not need to use the phone.
BUNCOMBE COUNTY SCHOOLS DISTRICT POLICIES

Some BCS District Policies are referenced in this handbook for your convenience. Please review Policy 1310/4002 – Parental Involvement located in the Appendix of this handbook. This policy reviews the parental notifications that building principals are required to share annually. If you would like to view any BCS policies, please notify the main office or you may access them on the BCS website.

BUS INFORMATION

Buncombe County Board Policy 4303 refers to bus riders and outlines the expected Code of Conduct. The following code sets forth the rules prohibiting certain types of student conduct while riding, waiting for, or leaving a school bus. It is in the interest of the safety of transported pupils, bus drivers, and the general public that they are adopted. A student found in violation of any of these rules may receive punishment as severe as having his/her bus riding privilege suspended, ranging from one day to the remainder of the school year, depending on the severity of the offense. A student will also be subject to disciplinary action for those violations within this code that are also covered by Policy 4340, School-Level Investigations. Less serious conduct will be dealt with by the school principal under the disciplinary authority given him/her by the North Carolina Statutes and by the Buncombe County Board of Education policies and regulations. Passengers may be suspended from school or from riding on a bus, at the discretion of the principal, for:

1. Delaying the bus schedule. 2. Fighting, smoking, using profanity, or refusing to obey instructions of school authorities or of school bus drivers while waiting for, riding, or leaving a school bus. 3. Being under the influence of or having in their possession alcoholic beverages or illegal drugs. 4. Tampering with or doing damage to a school bus. 5. Refusing to meet the bus on time at designated stops. 6. Unauthorized leaving the bus when en route from home to school or vice versa. 7. Playing, throwing objects, getting out of seat, or otherwise distracting the driver's attention while the bus is in operation. 8. Failing to observe established safety rules and regulations required by law or adopted by the Buncombe County Board of Education. 9. Eating or selling items on the bus.

Students failing to follow the bus rules will be reported to the school office. An office referral may result in parent notification, an assigned seat, bus suspension, or other appropriate measures depending on the severity of the situation and the student’s prior bus discipline infractions.

All Barnardsville Elementary School students will have an assigned seat.

BUS DISCIPLINE PLAN

1. Conference with student to explain bus expectations. If necessary, parents will be notified of infractions and warned of impending bus suspension.

2. Relocation of assigned seat or possible bus suspension at the discretion of the principal; parents will be notified. The administration reserves the right to alter the bus discipline plan based on extenuating circumstances and/or the severity of the offense. Severe disruptions (i.e. fighting, weapons, etc.) can result in immediate suspension from the bus.

3. The typical sequence for bus discipline is: (but may vary)

   1st Offense- Warning by Drive
   2nd Offense- Conference with Admin/Reteach behaviors
   3rd Offense- 1 day bus suspension
   4th Offense- 3 day bus suspension
   5th Offense- 5 day bus suspension
   6th Offense- 10 day bus suspension
   7th Offense- Bus suspension for the remainder of the school year

   Riding the school bus is a privilege and students can be suspended off the bus indefinitely if behavior warrants it.

**DISCIPLINE/BEHAVIOR**

Good behavior is essential for learning to take place. No student has the right to keep the teacher from teaching or other students from learning. Barnardsville students learn a “school pledge” which helps build a sense of family within the school and fosters encouragement, respect, and a commitment to excellence. Students who strive to keep this promise can easily adhere to the following Code of Conduct:

“We are the Barnardsville Ivy Hawks! H- Have Respect A - Awesome Attitude W - Willing Worker K - Kind Kinds S - Successful Students When? Every Day! All the Time!”

Barnardsville is a PBIS (Positive Behavior Intervention and Support) school. We use positive incentives to aid in maintaining a safe, caring, engaging, learning environment. Students earn Class DoJo points for showing the Ivy Hawk way. Classrooms come up with individual rewards and students who qualify can also earn a school wide award each 9 weeks. Nine Weeks Awards are awarded to those students who meet their class behavior goals. This includes NO negative office referrals, and showing progress in academics. Each nine weeks, those students earning the reward will participate in a school wide event. Each nine weeks, students will start over in earning this reward with a clean slate.

**Additional Discipline Guidelines:**

1. Students are expected to follow established classroom behavior expectations. 2. Students are expected to move about the campus in an orderly manner and remain in designated areas with an adult. 3. Students should keep their hands and feet to themselves at all times; fighting/hitting will not be tolerated. 4. Students should be respectful to all other students and adults. Threats, bullying, and inappropriate language will not be tolerated. 5. Students are expected to follow directions from all staff members. 6. Students may not bring alcohol, illegal drugs, or weapons of any kind to the bus stop, the bus, or onto the school campus. 7. Students should NOT use personal cell phones during the school day or while on the school bus unless otherwise directed by the classroom teacher or bus driver. Parents should NEVER give their personal cell phone to students while visiting or volunteering on our campus since your smartphone may have access to items that are inappropriate for students. 8. Electronic toys and devices such as iPads, iPods, and electronic video games are not appropriate toys for school. Do not allow your child to bring these items to school. As per Buncombe County School Board policy, the school is not responsible for the safekeeping or security of these items. Students will use such devices at their own risk. 9. Possession of a BB gun, air rifle, bowie knife, dirk, dagger, slingshot, leaded cane, switchblade knife, blackjack, metallic knuckles, razor and razor blades, sharp-pointed instrument, whether openly displayed or concealed, will result in a misdemeanor charge filed with the Sheriff’s Department and appropriate school discipline. 10. Possession, whether openly displayed or concealed, of any gun, rifle, pistol or other firearm or any explosive is a Class I felony. It is also a felony for any person to cause, encourage, or aid a minor to possess or carry the above-mentioned items. The Sheriff's Department will be notified and school disciplinary action will be taken. 11. Students must refrain from damaging school property. Students/parents will be responsible for repairs, clean up, and/or replacement costs. 12. Students should follow the school dress code. 13. Students may not sell products at school without permission. 14. Students are expected to be honest and refrain from cheating or stealing. 15. Students should avoid any acts of an extreme nature that might shock or endanger staff or students.

Any act committed by a student that is not specifically addressed in this handbook will be handled by the principal on an individual basis. One or more of the consequences listed below may result if the Code of Conduct rules are not followed:
The consequence is determined by the severity of the infraction and the number of times the student has been referred to the administration for prior discipline issues.

For more information about behavior and discipline please refer to BCS Board Policies 4300, 4302, 4302-R, 4303, 4307, 4320, 4325, 4328, 4330, 4331, 4333, 4340, 4341, 4342 on the BCS website. If you do not have Internet access and you would like to review these policies, please make this request at the BES main office.

DISCRIMINATION

“The Buncombe County School System does not discriminate on the basis of race, color, religion, sex, age, national origin, or handicap in admission or access to or treatment or employment in its programs and activities, in compliance with applicable federal and state laws. If you feel you have been discriminated against due to race or sex call David Thompson, (828) 255-5922; for handicap concerns call Amy Rhoney, (828) 255-5970; and for facilities call Tim Fierle, (828) 232-4244.

DISTRIBUTION OF MATERIALS

According to BCS Board Policies (5210), all materials/flyers/announcements given to students must meet certain guidelines. No commercial advertisements or promotional materials will be handed out to students unless they are approved by the school system. An information center is located in the waiting area in the office and frequently has great information and flyers that have not been approved for school wide distribution but may be of interest to you. Please check this table regularly for additional services, notices and information.

DOCTOR’S APPOINTMENTS/LEAVING EARLY

Should your child need to be excused during the school day for doctor’s appointments, etc., please send a note to his/her teacher on the day he/she is to be excused, stating the time you will need to sign him/her out in the main office. If your child is to be dismissed at a time other than the normal dismissal time, the secretary will call for your child to come to the office. No parent will be allowed to pick up a student from the classroom without first going through the office. For students’ safety, anyone signing a child out will be asked to show a photo I.D.

DRESS CODE / PERSONAL APPEARANCE

At Barnardsville, we want students to be comfortable while adhering to some basic guidelines concerning appearance. Parents can assist children by applying these basic dress code rules: one’s clothing or appearance 1) should not draw unnecessary attention that could potentially disrupt the learning environment and/or 2) present a potential threat to safety.

Here are a few examples of inappropriate items:

• Cropped tops, halter tops, spaghetti straps, or clothing that leaves an exposed midriff or reveals undergarments
• Short shorts (shorter than the tip of the index finger when one’s arms are hanging along his/her side)
• T-Shirts that promote drugs, alcohol, violence or that display language or artwork that might be considered vulgar or inappropriate
• Caps, hats, kerchiefs, other head coverings, and sunglasses inside the building (unless for a special reward)
• Wallet chains, spiked bracelets, sharp-pointed rings, etc. that can easily be used as weapons
• Heelys (tennis shoes with embedded rollers)

*Due to safety concerns (number of stairs) flip flops are highly discouraged.

Students dressed inappropriately will be asked to call home for a change of clothes. In addition, appropriate play clothes and tennis shoes are strongly recommended on P.E. days. Recess will be outside everyday, weather permitting, therefore, students should dress accordingly (ex. jackets, coats, hats, and gloves on cold days).

It is recommended that all sweaters, coats, lunch boxes, and book bags be marked plainly with the student’s name. Found items will be placed in the “Lost and Found” box (located at the end of the gym hallway). “Lost and Found” items will be
kept for a minimum of two weeks. Unclaimed items will be donated to charity.

Occasionally we will have fun dress days to promote school spirit. These days may include crazy hair day, hat day, dress like your favorite book character day, etc. These events will be announced in advance so all students may participate.

EXTRACURRICULAR/CLUBS ACTIVITIES

We offer several opportunities for your child to participate in extracurricular activities. Students in fourth grade will participate in “Students Of Service” Club. In this club, they will be able to participate in various activities based on their interests. Additional after school clubs may be offered for students in all grade levels. More information will come home about these activities. Parents will be responsible for providing transportation for after school activities.

FAMILY EDUCATIONAL RIGHTS and PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA), a federal law gives parents and students over eighteen years of age (“eligible students”) certain rights with respect to the student’s education records. These rights listed as “Annual Public Notices” can be found in their entirety on BCS website, BES website, or in the school office. If you wish to restrict the disclosure of your student’s directory information, the Opt-Out letter can be downloaded on Buncombe County Schools’ website or the BES school website. In addition, one is located in the Appendix of this handbook. For more information contact the school office.

FIELD TRIPS

Your child will have the opportunity to participate in curriculum-related field trips during the school year. Teachers will send information and permission slips home for each trip. No student will be permitted to go on a field trip without a signed permission slip. The students will be transported on yellow school buses or white activity buses to the location. Insurance regulations allow only students and BCS employees to ride these buses. Teachers try to keep field trips low-cost. Please send in the exact amount owed as cash is not kept at the school to make change. If you have concerns regarding the price of a planned trip, please contact your child’s teacher as financial help may be available.

FUNDRAISING

Barnardsville Elementary will participate in various fundraisers sponsored by our PTO. Our main fundraisers are the Fall Festival and Spring BBQ. As always, your participation in any fundraiser is optional. While student incentives are utilized to elicit the support of the event, families have the option of not participating. If you choose not to participate in the fundraiser, but would like to offer a donation instead, please contact the office. As a reminder Barnardsville Elementary does not recommend that any child go door to door to sell products.

GANG and GANG RELATED ACTIVITY

Buncombe County Schools defines a “gang” as any ongoing alliance or association of three or more individuals, formal or informal, having as one of its primary activities the commission of criminal acts or purposeful violation of school policy. Any inappropriate behaviors will be subject to the school’s discipline policy and procedures.

GIFTS

If you send flowers and/or balloon arrangements to celebrate a birthday or other special event, you should make arrangements to pick up your child at the end of the school day. These items are not allowed on the school bus. Arrangements will not be delivered to the classroom during the instructional day. They will be held in the office and given to the child just before he/she leaves to go home for the day.

GUIDANCE/COUNSELING

Guidance and counseling services will be provided by the school. The school counselor is available to see students through student, parent and/or teacher referrals. The school counselor will also present classroom guidance lessons to students which incorporate the North Carolina Character Education Curriculum and the Guidance Essential Standards. We also have a school therapist, employed through a partnership with MAHEC.

HEALTH SCREENINGS

As a service to the children of Buncombe County, Buncombe County Health Department personnel and the school staff execute screenings for various health purposes. Our school will conduct a health fair during the first few months of the
new school year. This activity will complete the majority of the examinations. Included are a vision screening, hearing test, check of height and weight, and a dental screening.

In accordance with Buncombe County Health Department guidelines, we routinely screen students for pediculosis capitis (head lice and nits). We urge you to help us by frequently checking your children at home.

**Children with head lice must be treated with medicated shampoo and be free of live lice before returning to school. The principal or designee will check students and give permission to return to the classroom. The student will be sent back home if all of the live lice have not been removed or the student has not been properly treated. Students who are absent due to head lice, will have one day per incident that will be an excused absence.**

**HOMEWORK**

Homework is given to students as an extension of classroom activities. Its purpose is to reinforce what has been taught and to foster the development of responsibility in our students. Students can expect limited homework during the week. Please provide a quiet time for study and plan to monitor the completion of homework assignments. Discussing these assignments with your child provides an excellent opportunity to stay up to date on what your child is learning. Should you have concerns regarding your child’s homework, please contact your child’s teacher.

**ILLNESS OR INJURY AT SCHOOL**

If your child is injured or becomes ill at school, we will make him/her as comfortable as possible and then call you immediately. If you cannot be reached, we will call those you have listed as emergency contacts.

**INSURANCE**

All students need to be covered by health insurance. If you do not have family hospitalization insurance, a low-cost school time or 24 hour insurance policy is available to school age children. Information is available on the BCS website or may be obtained in the school office.

**INTERNET USE**

The Internet is a valuable learning resource and we are pleased that our classrooms are Internet accessible. Buncombe County Schools has a very effective filtering system. We make every effort to monitor student use of the Internet to ensure that materials accessed are appropriate. However, on a global network it is impossible to control all materials. Students, therefore, are given the privilege to use the Internet along with the responsibility of using it properly and only under adult supervision. BES is a 1:1 school, which means every child will have an electronic device to use for learning.

**LEGAL ISSUES/CUSTODY**

If custody of a child is an issue, a current copy of the court order MUST be on file in the school office. If there are concerns with regard to a child’s safety, the office and your child’s homeroom teacher should be informed so that your child’s records can be flagged. We must make decisions to release children based on the approved list parents provide and court orders. If this information is not accurate or up to date, this may cause a serious problem.

**MANNA FOOD BAG PROGRAM**

We provide a food program sponsored through Manna Food Bank every other Friday. Manna Food Bank delivers food to the school and it is packed by volunteers for students to bring home. If you have a need and are interested in participating in this program, please contact the BES School Counselor.

**MEDIA / LIKENESS**

Buncombe County Schools does not require parent permission for students to be photographed, videotaped, and/or interviewed by system employees or media on routine school topics, activities for public information, awards and honors, instructional and promotional purposes. Parent permission must be given, however, to photograph, videotape and/or interview children with physical or mental disabilities if they will be identified as children with physical or mental disabilities. Parents, guardians, or eligible students may request not to be photographed, videotaped and/or interviewed by notifying the principal in writing within ten (10) days of receipt of the Barnardsville School Student-Parent Handbook.

**MEDICATIONS**

We are not permitted to dispense medicine (including aspirin, Tylenol, sunscreen, first aid ointment, etc.) to students
without written permission from the PARENT AND PHYSICIAN. Because children are not allowed to transport medicine, parents should bring their child’s medication to school along with the signed medication form and written instructions on how to dispense the medication. This form will be sent home as part of the school year packet and will be available in the office throughout the school year. This form must be on file in the office before the medication can be administered. Please inform the office and the teacher if there are any allergies or known illnesses of any kind. Refer to BCS Board Policy 6125 located on the BCS website for more information.

**PARENTAL INVOLVEMENT**

We believe that students learn best when the family is involved in the learning process. Families of younger students can be involved by checking the student’s book bag and school folder each day. Many teachers take the time daily to write personal comments on the folder regarding the student’s progress. All students benefit when an adult reads with them, discusses content and shows an interest in their learning. Communicating with teachers on a regular basis and attending school events is highly encouraged.

**PARKING**

Visitors should park in designated visitor spaces located at the front of the school and on the side of the playground near Hillcrest Drive. Please exercise caution in this area, as students and visitors are crossing the road in front of the school. If visitor spaces are not available, you may park in other spaces located in the side parking lot. Cars should not be parked in a manner that would block our school buses or other vehicles. Please do not pass school buses when red lights are flashing.

**PERMANENT RECORDS**

North Carolina law requires that a permanent record be maintained for each student beginning in Kindergarten. The record contains: printed elementary records, identification information (name, address, sex, race, birthplace, birth date), family data (parent names, addresses, telephone numbers), physical examination and health record, attendance record, scholastic record, standardized test scores, information pertaining to special programs and services provided for the student, and pertinent educational or personal information that may have been collected with the consent of the parents, legal guardians, or eligible students. The parent or legal guardian may review their child’s record in the school office and may obtain a copy of the record if needed (allow 3 working days for our office staff to comply with copying requests). Information from a student’s record shall be furnished without the consent of the parents or legal guardians when required by a judicial order or any lawfully issued subpoena upon condition that parents or legal guardians notify the local educational agency of such orders in advance of compliance. Parents or legal guardians shall be provided with the opportunity to review and to challenge their child’s record prior to compliance of the school with the judicial order or subpoena. Directory information (student’s name, address, telephone number, date and place of birth, dates of attendance, awards received, most recent previous school attended by the student) may be available to those with legitimate interest in the student. (Policy: G.S. 115C-384 & 402) If you do not want this information released, please send a written request to the main office. Parents have the right to request a copy of Board Policy 4700, Student Records.

**PHYSICAL ACTIVITY**

Barnardsville Elementary adheres to the Healthy Active Child law that requires students receive 150 minutes of physical activity each week. Students will participate in a PE class with a certified PE teacher each week. In addition, your child will participate in recess for 30 minutes every day of the week.

**Positive Behavioral Interventions and Support Plan (PBIS)**

Barnardsville Elementary School uses PBIS (Positive Behavior Intervention Support) for discipline and behavior expectations. This is a program in which schools use common language, expectations, rewards, and consequences. All schools in North Carolina will implement Positive Behavior Intervention and Support as an effective and proactive process for improving social competence and academic achievement for all students.

The following are the main components of our PBIS program:

- Behavior matrix – We have created a very specific outline of expected behaviors in all common areas of the school. The matrix outlines our HAWKS rules for each area of the school that all students participate in.

➢ Classrooms
➢ Hallways
➢ Restrooms
➢ Assemblies
➢ Arrival/Dismissal: Car line and busses
➢ Playground
- Lesson plans – The PBIS team has created a series of lesson plans for each of the areas and expected behaviors listed on the matrix. These lessons will be taught by EVERY TEACHER at the beginning of the school year and then reviewed as needed.
- Positive rewards – Each student will receive a Class DoJo point when they are demonstrating appropriate behaviors. These ways are listed below:

➢ H - Have Respect
➢ A - Awesome Attitudes
➢ W - Willing Workers
➢ K - Kind Kids
➢ S - Successful Students
  - School-Wide Consequences and Minor/Major Infractions –

➢ Major offenses:
If a student has a major offense during a 9 week period, they will lose the 9 weeks’ reward. They are still eligible for the smaller awards in the classroom.

➢ Examples of Minor and Major offenses.
However, if any occur that are not on this list, it will be up to the teacher and principal’s discretion to assign the appropriate consequence.

PTO

We encourage parents to be involved in their child’s education, and joining PTO is one way that you can do this. This organization provides clerical, instructional, and financial support to Barnardsville Elementary students and teachers. We hope that you will consider joining our Parent Teacher Organization and that you will support PTO sponsored events. Like the Barnardsville Elementary PTO Facebook page at www.facebook.com/BarnardsvillePTO to stay up to date with news and events!

Our school needs volunteers to assist with a variety of tasks. We welcome parents, grandparents, and other community members who are willing to volunteer. Whenever volunteering or visiting the school, please sign in and get a visitor’s ID. Please see the Volunteer section of this handbook.

REPORT CARDS/PROGRESS REPORTS

Students in grades 1-4 will receive Buncombe County report cards every nine weeks. Mid-term progress reports will be sent home as well. Parents of kindergarten students will conference with teachers at least twice yearly and receive a progress report from Barnardsville at the end of each nine weeks. Please note that BCS does not have an official report card for kindergarten students. Report cards will be available on the PowerSchool Parent Portal. Report cards will only be printed by request.

The report card has space to indicate if you wish to have a conference with the teacher, and you are encouraged to check that space if you have questions or suggestions. The teacher may indicate on the report card a need for a meeting, and please call the school and schedule a conference with your child’s teacher as soon as possible, after the request is made. Our Teacher/Parent/Student Conferences are scheduled throughout the year when report cards are sent home. Parents and Teachers can meet at other times during the school year to discuss student progress. Please make every effort to attend scheduled conferences.

Please refer to the rubric scores/grading scales below. Report card grades are based not only on graded papers and assessments that your child brings home but also on classroom performance, contribution to discussions and informal assessments. Anytime your child is not progressing in school as you think he/she should, please contact the teacher. You can set up an appointment for a conference by calling the school or by sending a note to the teacher with your child.

**SAFETY and SAFE SCHOOLS DRILLS**

A fire drill will be held monthly and other emergency drills such as a lockdown drill or tornado drill will be held periodically throughout the year. All students are expected to follow the direction of teachers/staff and remain quiet and orderly.

Barnardsville Elementary utilizes a front door buzzer system. This system consists of a locked main entry door and a push button intercom system. All visitors who attempt to enter the school will be asked the reason for their visit. Office staff may also check picture IDs of anyone before they are allowed to enter. Keep in mind that this level of security is designed to keep all students and staff members in the building safe. Please know that parents and volunteers are always welcome to our campus! This system will help us maintain a high level of safety and security. All visitors are required to present a
photo ID, sign in at the main office and wear a volunteer or visitor tag in a visible area when on school grounds. Interior and exterior cameras are filming 24 hours per day.

**SCHOOL COMMUNICATION**

Barnardsville staff will utilize various methods of communication with parents including classroom newsletters, email, Class DoJo, School Messenger Alerts (including email, text, or a voice call), school website, individual teacher webpages, and school Facebook page. In addition a student information system, PowerSchool Parent Portal, allows parents to stay connected with student performance. **Our primary means of communication is Class DoJo.**

In order to ensure you are receiving messages from the School Messenger system in a preferred format, please visit the BCS website to adjust any of your preferences including which phone numbers receive message alerts. Please keep in mind that any permanent changes in contact information must be shared with the office staff and the School Messenger system.

Our school website address is: http://bes.buncombeschools.org/ Like us on Facebook at www.facebook.com/BESBuncombe for additional school news!

**SCHOOL WELLNESS**

Barnardsville Elementary School supports student and staff wellness by encouraging stakeholders to embrace a healthy lifestyle. Please consider the following options:

- Bring a healthy snack for your child’s class to share in celebration of their birthday instead of the typical cupcakes.
- Arrange a special recess treat with your child’s teacher for a birthday celebration such as a “bubble blowing party”, donation of special playground toys or a special art project.
- Pack your child a healthy snack each day.

**STUDENT ACADEMIC GRIEVANCES**

Per BCS Board Policy 1740/4010, students and parents should have redress for grievances regarding the evaluation of academic performance. Therefore, if at any time a student believes he has a grievance regarding the evaluation of an academic assignment, the student or parent may report the grievance to the principal’s office in his school. The student should provide his name and a description of the grievance giving rise to the complaint. The principal will investigate the incident and reach a decision within three (3) school days. The principal is empowered to change the grade if, after investigation, the principal determines that the evaluation was arbitrary and capricious. A written copy of the decision will be sent to the student and parent or guardian.

**STUDENT DISCRIMINATION, HARASSMENT AND BULLYING**

Barnardsville Elementary is committed to making our school a safe place for all students. Students and staff will treat each other with respect and refrain from remarks or actions that would cause bad or hurt feelings. We will respect each individual at BES. As a school community, we will not tolerate bullying of any kind. Bullying happens when someone keeps hurting, frightening, threatening, or leaving someone out on purpose. Teachers and staff at Barnardsville will watch for signs of bullying and stop it immediately when it occurs. Students will be taught about bullying in guidance classes and will be taught how to respond to bullying. Students may report bullying by informing any school employee.

If you feel your child has been bullied, please contact your child’s teacher or the principal. Reports of discrimination, harassment or bullying may be made anonymously by phone to the hotline number (225-5292) or submit a report online by going to the BCS website. Formal disciplinary action may not be taken solely on the basis of an anonymous report. All reported bullying incidents will be investigated. Consequences will be assigned to students for bullying. We want every student to feel safe and welcome at school.

For more information please review BCS Board Policy 1710/4021/7230 located in the Appendix of this handbook for your convenience. You may also want to refer to BCS Board Policy 1720/4015/7225 which outlines complaint procedures. This policy may be found on the BCS website. If you do not have Internet access and you would like to review these policies, please make this request at the main office.
STUDENT INFORMATION

Parents will complete and return a student information form for their child at the beginning of each school year. Please notify the school of any address, telephone, bus or car rider changes that occur during the school year. **It is important that we have up-to-date information on all students at all times.**

STUDENT PARTIES

Classes may have two parties per year. County guidelines do not allow home baked goods to be sent for classroom snacks or parties. Please send snacks that would be considered healthy in nature. Student birthdays are recognized each morning on the announcements and students receive a birthday prize. If you would like to bring in a special snack to the classroom on your child’s birthday, please make prior arrangements with the classroom teacher. All special snacks for parties or birthday celebrations must be store bought with the ingredients listed, not expired and maintained at a safe temperature. Please see the School Wellness section of this handbook for more information. Students may deliver party invitations at school only IF everyone in the classroom has been invited.

TELEPHONE

To resolve or clarify important issues (ex. illness, transportation home, etc.), students will be permitted to use the telephone. Arrangements for after school activities and transportation should be made before coming to school. Parents are encouraged to call their child’s teacher before 7:50 a.m. or after 2:45 p.m. Teachers cannot take phone calls during the school day. If these times are impossible for you, call the secretary and ask that the teacher return your call at their first opportunity or speak to someone in the main office. Email and ClassDoJo are typically faster.

TEXTBOOKS

Students may be issued a textbook in subject areas as needed. It is expected that the student will take care of the books and be responsible for them. If a student loses or damages a book, parents will be billed for the amount necessary to replace the book.

TITLE I

Barnardsville is a Title I School. Title I is a federally funded program based on the percentage of students on free and reduced lunch. Title I also provides funding for personnel, instructional and student materials, parental involvement, staff development, and parent workshops.

TOBACCO FREE SCHOOLS

School Board policies (531 and 4320) state that all Buncombe County schools will be 100% tobacco free. No tobacco products are allowed in the school or on the campus at any time.

TRANSFER POLICY

The Buncombe County Board of Education allows students to be assigned to a school district other than the one in which they live when reasons for reassignment fall within the guidelines of board policy. Parents must file an application (Discretionary Admission/Release form) and return it to the administrative offices at 175 Bingham Road, Asheville, NC 28806 to request reassignment for the next school year. For specific transfer information, you should ask the office staff for a copy of board policy or visit the BCS website. It is standard policy at Barnardsville Elementary to ask for two documents as proof of residence upon registration. You may also be asked to provide proof of residence.
SCHOOL DAY HOURS

Barnardsville Elementary bus riders will arrive at school around 7:45 AM. These students will immediately report to their homeroom classroom. Our front doors open for car riders at 7:30 AM. This is followed by the tardy bell at 7:45 AM. All students MUST be in their assigned classroom at 7:50 or they are considered tardy (unless they arrive on a late school bus). Classroom instruction will begin at the 7:50 bell. The last bell will dismiss bus and afternoon car riders at 2:30.

VISITOR SIGN IN

ALL parents and visitors to campus must use the Lobbyguard System to sign in at the office and obtain a visitor sticker (or a volunteer pass if applicable). Visitors must have a picture identification card. Parents wishing to walk in with their children will follow the established procedure of coming to the office, signing the visitor registry, and obtaining a visitor tag. Please note that you must sign in if you are going past the main office. Your cooperation in helping us to follow this policy and ensuring the safety of all children is expected and appreciated.

WEAPONS

When your child is getting ready to leave the house to go to school each day, you likely make sure he/she has lunch or lunch money, homework, projects, gym shoes, etc. Take your questioning a step further by asking your child to check pockets of coats, pants, and/or back packs to see if there is a pocket knife, pellet gun, sharp pointed instrument or any other object that could create a safety issue at school. Sometimes they just forgot or planned to use them after school, but the law is clear – having a weapon on campus, which includes the items previously mentioned, is a criminal offense. What happens? The child has a consequence, the incident is reported to law enforcement, and the school system has to report the incident as a “violent act” to the State Board of Education. No one wins!

In short, please help us monitor what is brought onto a school campus. It will save your son or daughter problems at school and it will keep the school system and law enforcement from dealing with an issue that could have been avoided.

The History of Barnardsville School
A Community School since the 1900’s
(Adapted from information provided by Alma Shuford)

In the early 1900’s, Barnardsville families were becoming increasingly interested in quality education and they rallied for a high school. With the promise of much support, the first high school in Barnardsville opened in 1906 on a hill overlooking the community (just above the intersection of Dillingham Road and North Fork Road).

The current Barnardsville School first opened its doors in 1927 and consisted of the three level brick building. This campus served students in high school.

In 1954, the high school grades moved to North Buncombe High School and the current building received an addition (the two level building housing most classrooms). This campus served elementary students in Kindergarten through 8th grade. In 1987, grades six through eight moved to North Buncombe Middle School leaving Kindergarten through 5th grade at Barnardsville Elementary. The school ran strong until 1990.

Although it was a difficult decision to make, Barnardsville Elementary School closed its doors that year to consolidate with Red Oak, Flat Creek, and French Broad to make the new North Buncombe Elementary. However, because of a growing and supportive community, Barnardsville Elementary School reopened in 1994, serving students from Kindergarten through 5th grade.

In 2002, the new intermediate school, North Windy Ridge, was built. Fifth grade students left Barnardsville Elementary to attend this new district fifth and sixth grade school. Since that time, Barnardsville Elementary has served students in Kindergarten through 4th grade.

In 2017, Barnardsville Elementary School celebrated 90 years of service to the community.

The school currently serves over 150 students from Kindergarten through 4th grade. The Barnardsville Ivy Hawks are proud of their heritage and look forward to the future. Visitors to our school campus may view the Memory tiles that decorate our hallways and pay tribute to many of the students, staff, parents and community members who have loved and supported this small rural school. In addition, a display cabinet of trophies is housed at the school. Some of these trophies date back to the 1950’s when the school served high school students. The school building stands as a symbol of the strength and pride of this community. The school staff welcomes community volunteers and support to keep the sense of pride, community ties and value placed on children receiving a quality education thriving in this area.
